Thank you for your interest in volunteering for the Lorenzen Cancer Foundation's Pancreatica Walks and Runs. You will play a critical role in helping us fulfill our mission and actively contribute to a good cause. As part of our volunteer program, you will help to raise awareness and funds, increase education and further pancreatic cancer research.

Throughout the fundraising event we may ask if you are in a position to help facilitate with the organization of the social events, advertising of the event, distribution of flyers and brochures, among many other tasks that may need attention to bring our events together. As a volunteer, you will receive a compensation letter from the Lorenzen Cancer Foundation. You are encouraged though to raise funds to help in the fight against pancreatic cancer.

We thank you for your support!

Do some good - Multiply Yourself: recruit a friend or form a team!
